INFORMATION....

Hot Cross Buns is a favorite of young students. They love walking as quarter notes, walk-waiting as half notes and run run running as eighth notes.

When they play and sing the words, their rhythm greatly improves.

On my website there are several activities which utilize this song.

One is a giant 2 black key group for tapping through the song.

Then there are different levels of “beat boxes”. The students tend to relate very well to the learning of beats and measures with Hot Cross Buns.
