

## DRIVE AROUND THAT C

Many young children have not had a lot of experience with letters - less drawing them. This is an exercise to solidify recognition of the letter C - and actually give them some experience tracing around the C in order to learn how to write the letter themselves.

Use the plain C or the one with the arrows.

Cut off along top line.

Laminate.

Cut around each car and laminate within a credit card pouch.

This letter is easy!

Just start at the red star and follow the green dotted lines all the way around to the Stop Sign.

It is a good idea to go through the instructions while having them watch you doing the driving, then go through the instructions again with the kids.
